Automatic Revocation of Exemption -- Search Results

The federal tax exemption of each organization listed below was automatically revoked for its failure to file a Form 990-series return or notice for three consecutive years. The revocation date listed below for each organization is *historical*; it reflects an organization's effective date of automatic revocation for not filing a Form 990-series return or notice for three consecutive years, but not necessarily its current tax-exempt or non-exempt status. The organization may have applied to the IRS for recognition of exemption and been recognized by the IRS as tax-exempt *after* its effective date of automatic revocation. Click on an organization's name to see more details on that organization. To check whether an organization is currently recognized by the IRS as tax-exempt, call Customer Account Services at (877) 829-5500 (toll-free number).
