While I searched Illinois (as a Dec. 2014 "Meet the Funders" Inside Philanthropy article — certainly not the actual FFYF.org website — revealed, there was a connection to "Ounce of Prevention Fund" in Chicago) this level of search results doesn't show legal domicile. Repeat the search and click to Details Page to see "First Five Years Fund LLC" is registered (2/22/2008) in Illinois as a Delaware entity. However, being an LLC, it has a member, and that sole member (as another click from Details page will show) is in fact the nonprofit Ounce of Prevention, at same street & Suite#. Ounce of Prevention is running "Educare" schools and professional development, so check the related entities and where available, those Form 990s!
