Image Filename: TAGGS AdvSrch for Grant 90CA1025 (per CalSWEC 2010 rpt re QIC-NRF) Screen Shot 2017-02-14 @4'50PM.png

URL from which grant # was obtained (p.3 bottom) http://calswec.berkeley.edu/files/uploads/qic-nrf_curric.pdf || As you can see, the only filter applied was the grant # (for advanced "Award#" field, this followed their format, so that's not an issue).

Award Number: 90CA1025

I was looking for the name of actual grantee, as the publication omits it. Oh well!
