Authorization (040):

Public Health Service Act, Sections 301, 317, 391, 392, 393, and 394, as amended, 42 U.S.C. 241.

(The FVPSA is 42 U.S.C. 110, not 241m but some DV orgs (such as PCADV) may get funding under this authorization also).

Objectives (050):

RESEARCH GRANTS: (1) To support injury control research on priority issues; (2) to integrate aspects of engineering, public health, behavioral sciences, medicine, engineering, health policy, economics and other disciplines in order to prevent and control injuries more effectively; (3) to rigorously apply and evaluate current and new interventions, methods, and strategies that focus on the prevention and control of injuries; (4) to stimulate and support Injury Control Research Centers (ICRCs) in academic institutions which will develop a comprehensive and integrated approach to injury control research and training; and (5) to bring the knowledge and expertise of ICRCs to bear on the development of effective public health programs for injury control.

STATE AND COMMUNITY PROGRAM GRANTS/COOPERATIVE AGREEMENTS: To develop, implement, and promote effective injury and violence prevention and control practices.

Types of Assistance (060):

Cooperative Agreements; Project Grants
