Describe the primary activity of the organization. (A copy of the material submitted with the application for federal or state tax exemption will normally provide this information.) If the organization is based outside California, comment fully on the extent of activities in California and how the California activities relate to total activities. In addition, list all funds, property, and other assets held or expected to be held in California. Indicate whether you are monitored in your home state, and if so, by whom. Attach additional sheets if necessary.

The mission of SF-CESS is to assist schools & their communities to develop and sustain as small, equitable & high performing schools. We do this work through coaching & technical assistance, professional development & consulting, with an eye on equity and best practices to serve our students. We work mostly in the bay area but consult for schools elsewhere. All our funds are in a local bank & we do not own any property other than office equipment, housed in our office.

The organization will be required to file financial reports annually. All organizations must file the Annual Registration/Renewal Fee Report (RRF-1) within four months and fifteen days after the end of the organization's accounting period. Organizations with \$25,000 or more in either gross receipts or total assets are also required to file either the IRS Form 990, 990-EZ, or 990-PF. Forms can be found on the Charitable Trusts' website at <http://ag.ca.gov/charities>.

If assets (funds, property, etc.) have been received, enter the date first received:

Date assets first received: July 2005

Registration with the Attorney General is required within thirty days of receipt of assets.

What annual accounting period has the organization adopted?

☒ Fiscal Year Ending 6/30

In FY2011 (or close to it) the entity CES (Coalition for Essential Schools) on which this is modeled, put Gregory Peters to its Board of Directors. Both outfits notoriously avoid proper registration and filing (i.e., like to operate outside state laws regulating nonprofits and corporations) while saving students.
