About the Company

News Room

Founded in 1986 by American industrialist Len Blavatnik, Access Industries is a privately held industrial group with long-term holdings worldwide. Our industrial focus spans four sectors: natural resources and chemicals, media and telecommunications, technology and e-commerce, and real estate. Access Industries has strategic investments in the United States, Europe and South America and corporate offices in New York, London and Moscow.

Notice: strategic investmnts in Asia (or Siberia, etc.) or Africa not mentioned, despite corp. office in Moscow.
