The Broad Foundation
2005 Form 990PF
STATEMENT 17

During 2005, The Broad Foundation made a grant to The Broad Center for Urban Superintendents which received a determination letter from the IRS in 2001 recognizing it as a publicly supported organization described in IRC section 509(a). In 2005, The Broad Center for Urban Superintendents was in the process of being dissolved so that the operations could be continued through a successor organization, The Broad Center for Management of School Systems. This new organization has received a determination letter from the IRS that it is exempt as an educational organization. The Broad Foundation does not think The Broad Center for Urban Superintendents was a private foundation at any time. However, due to its relationship as majority funder, The Broad Foundation has determined to take a conservative approach and to perform expenditure responsibility in relation to this grant.

Expenditure Responsibility Statement

Grantee:	The Broad Center for Urban Superintendents 10900 Wilshire Blvd, 12 th Floor Los Angeles, CA 90024
Total Grant for 2004:	\$1,040,620
Purpose of Grant:	To train individuals interested in becoming educational leaders in large urban school districts throughout the country.
Reports:	The Broad Center for Urban Superintendents submitted full and complete reports of its expenditure of the total grants made in 2005.
Diversions:	To the knowledge of the grantor, no funds have been diverted to any activity other than the activity for which the grant was originally made.
Verification:	The grantor has no reason to doubt the accuracy or reliability of the report from the grantee; however a review of the books and records of the organization has been made.
